

If you need a hand... moving to

Cyprus

There is nothing like Cyprus, with its spectacular natural environment, striking landscapes, high quality of life, ancient culture, and great diversity, South Africa is a sought after destination for British families looking for a new lifestyle.

As one of Britain's leading removal companies, Burke Bros Moving Group is widely recognised for its special skills in international moves of household goods to Australia. Whether you require a full household removal, a part load or simply one item, we offer a high quality professional shipping service worldwide.

"As you would expect from an international business, we have all the professional hands you need for a smooth relocation overseas. We have the global knowledge, contacts, affiliations and practical skills to take care of you all the way to your new life. And for your further peace of mind, we offer full financial protection door to door"

- One of our experienced estimators will visit you in your home so we can accurately calculate the volume you wish to take and any of your packing requirements. Calculating the correct volume is key to a realistic quotation and the estimator can offer you some invaluable advice in preparation for your move.
- All of our removals men are trained overseas packers and will ensure your goods are safely packed. Other considerations are tailor made crates for items such as pianos, clocks and glass cabinets etc. Your items are then ready to be loaded on to the shipping container or can be put in to storage for any amount of time you require.
- As you are shipping your personal effects to Cyprus you may require a full 20t, 40t container, we also offer part-loads or groupage containers, where you only pay for the space your possessions take up within a container.
- We will arrive at your home to pack and wrap your items ready for shipment over a two to three day period with the container being loaded on the last day and the inventory checked, ready for the container to be locked, sealed and driven to the UK port.
- We offer Marine Insurance on all of our international moves that is sufficient to cover your entire move, including cover for the cost of your goods and the cost of the shipment itself, on all effects packed by Burke Bros.
- Your items can take on average between 2 to 4 weeks to be shipped for a full container and 6 to 8 weeks on a groupage container. Times can also vary depending on the location of the port in Cyprus they are going to.
- Upon arrival in Cyprus one of our trusted agents will then take care of your goods and move. Any goods entering are now subject to Customs clearance and Quarantine inspection.

TEL: 01902 714 655 | WEB: BURKEBROS.CO.UK | EMAIL: SALES@BURKEBROS.CO.UK

Documents needed:

When personal goods shipped by sea you are required to fill out documents: SAD T2L and OBL or express Waybill and full packing list. This will be provided for you by your international removal agent.

Clearing Customs & Quarantine Procedures:

Most countries require that personal & household effects have been owned and used for 12 months or more preceding your departure; Customs duty and tax will generally apply to any new purchases. Household effects are generally apply to any new purchases. Household effects are generally subject to a physical examination by the local quarantine inspection service; it is essential that any items that may have come into contact with soil or vegetation are thoroughly cleaned prior to shipment, failing which treatment may be required.

Delivery to your new home:

Once your items have been cleared our agent's operations department will arrange a mutually suitable day for delivery to your new home, or your shipment can be placed in to secure storage facilities. Their services should include full unwrapping of all furniture items, reassembly of items that require non-specialist attention such as beds, dresses and bookcases etc. Other services may be available at an additional cost.

Prohibited Items Include:

Drugs, Narcotics And Pornographic Materials.

Restricted Items:

In FCL (Sole Use) Containers:

Alcohol: You are permitted up to 12 sealed bottles, this applies to both EU and Non EU countries.

Food: EU member countries are permitted dry and canned food only. Non EU member countries must obtain an import license from the local Ministry of Health.

Firearms: Shipper should hold a European Firearms Pass or, otherwise, must obtain an Import License from their local District Police HQ here before the Air Rifles/Pistols arrive in Cyprus. They must be presented for registration (a fee is payable for each firearm) at their local police station within 48 hours of arrival of shipment and will only be released against presentation of a valid European Firearms Pass or Firearms Permit issued by the Chief of Police.

Complete financial protection:

As members of the specialist Overseas Group of the British Association of Removers we are regularly assessed and are fully insured which protects your advance payment guarantee scheme, for your financial protection.
