### **Burke Bros fitness in business!**

After a long week at work Burke Bros staff are keeping competitive and active in many pursuits - we work hard and play hard. We can't always be in the office so please allow us this time away as it keeps us all sharp. We encourage others to be involved in sport as it develops good discipline, teamwork, helps with goal setting, being competitive, respect for others and education. It helps keep us healthy and creates a community spirit.

**Below are some of the weekend activities that Jamie, Callum, Gary, Josh, Paul, Ben, Nathan, Josie and Carole can be seen doing. From running, cycling, rock-climbing, kayaking, motor racing, rollerskating and cheer-leading. In Addition this this Laura is a strong swimmer, Dave is a keen angler, Chris plays snooker, Ben enjoys running and Emily has completed a sponsored run for charity!**

## **New Staff at Burke Bros!**

We are pleased to introduce three new members of staff this year. We are joined by Jamie Frewin, our new Transport Manager, who has over 12 years experience in the Transport Industry. We have also had two new additions to expand our International Department, with Carole Purkiss-Taylor, who is experienced within the shipping and export industry, and Josie Turner, a graduate from Sheffield University, as Import & Export Coordinators.

## **A final farewell to Melissa**

We are sad to say a final farewell to Melissa Dale, who worked in our international department as an Import & Export Coordinator. She has moved to a new city and is no longer working in the moving industry and we wish her all the best success for the future. Although it won't be that long until she is back with us for our Christmas Party as Burke Bros is her spiritual home!

## **Business booming in Latin America**

In recent months, business has been booming to Latin America for Burke Bros with 9 40ft

containers being loaded from November until Christmas ready for shipment to South America.
