

Welcome to our Christmas newsletter. We would like to share with all of our customers, agents, suppliers and colleagues here in the UK and around the world, our best wishes for Christmas.

It's also an opportunity to spend time with friends and family and to reflect on those that are no longer with us as we see out 2016 and welcome 2017, wishing everyone health and happiness in the coming year.

Thank you to everyone that has supported us and look forward to continuing great relationships and friendships, no doubt we will be meeting new people in the course of our activities as we move forward.

The Festivities Are Underway

It was great to see so many of our office staff at our Christmas event. We look forward to the removal team's outing after the pre-Christmas rush and thank them all for another year of hard work.

Baubles Galore!

Our office staff took a few minutes out to decorate the Burke Bros Moving Group Christmas tree! We are especially proud of our intricately formed bows!

We wish all of our customers past and present a very Happy Christmas and particularly those who are awaiting their first Christmas in their new homes.

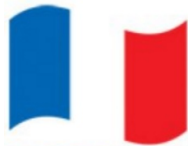

It's been a pleasure to move so many people during the last year and we continue sending our best wishes to those moving during the festive period as we send containers of household effects to Cyprus and Canada this week and receive household effects from Australia.

The start of 2017 also looks remarkably busy with many of our customers moving to destinations across the globe including Thailand, Canada, Sydney and Perth.

New Year starts with a French theme

As the year draws to an end, we're looking forward to starting 2017 with all things French at The France Show. Running from 27-29 January 2017 at Olympia, London. The France Show brings together everything from food, wine, property and entertainment.
