

Spring has sprung and at Burke Bros Moving Group we're gearing up for the busy season once again.

Read on to see what we've been up to so far this spring!

Wheels Keep Turning

To ensure our customers benefit from reliable and well equipped vehicles on moving day, our fleet is due to be expanded once again. The summer will see the arrival of two new vehicles. The vehicles will be used in

both domestic and French moves with the low loader ideally suited for smaller loads and for shuttling from properties with poorer access.

New Team Member

As we gear up for the busy spring and summer months, we're pleased to welcome our new corporate sales co-ordinator, Denise Grossett, to the team.

Meanwhile, to meet the upturn in international moving enquiries, our Sales Co-ordinator Emily Taylor has relocated to our International Department. Our Trainee Manager, Jacob Heaton has also, as part of his training programme, recently completed a BAR overseas moving course and is looking forward to attending the 'Young Movers' Conference in Belgium in May to ensure we continue to be best placed to help our customers moving internationally.

Diplomatic Moves

With years of experiencing of completing moves for the Diplomatic sector, we are particularly pleased to be sponsoring awards at the Diplomat Awards in central London. The evening will celebrate the success of the diplomatic community over

the past year.

Events

Now that we've attended many of the overseas property events at the start of the year; The France Show, Down Under Live and A Place in the Sun; we're looking forward to the upcoming EuRA, BAR and PAIMA conferences. We like the opportunity to catch up with peers in the industry and ensure we're up to date with developments in international moving.

Official Business

Burke Bros Moving Group are no stranger to being sought out as a good barometer by government officials, for developments in the industry and for local and international moving trends.

We were particularly pleased to welcome Emma Reynolds, MP for Wolverhampton North East to the Burke Bros Moving Group head offices recently. Emma was formerly Shadow Secretary of State for Communities and Local Government, Shadow Minister (Housing) and Shadow Minister (Foreign and Commonwealth Affairs) and took the opportunity to speak to the directors, Chris and Gary Burke about national, domestic and international moving.

Wheely Good Causes

We are pleased to be sponsoring the Aberdovey Wales Charity Bike Ride and be their official logistics provider for 2018; providing support for more than 700 riders and West Midlands Police G division- supplying both storage and transport solutions.

Many of our members of staff are keen sports people and this season our Business Development Manager, Paul Lucas, is entering The London Marathon on the 22nd April.
