

GLOBAL RELOCATION **BURKE BROS**

In collaboration with

Help us help those in need!

As part of our removal services, we will collect any unwanted non-perishable foods (*tinned foods or foods in packets*) from customers and donate the food items to *The Good Shepherd Ministry*, a local homeless charity, where they will be distributed to the homeless and those in need.

About the Good Shepherd

The Good Shepherd help to meet the basic needs of some of the most vulnerable people in the area. Since the project in Wolverhampton began in 2003, the project has grown to support 250 people each day.

As a well-established company in Wolverhampton, we are pleased to play a part in tackling food poverty in our local area.

If you are planning a house move and would like to contribute to the project, please contact our head office:

Telephone: 01902 714555
